Hello! I am Christina Harknett and I have been a member of the Reno, Nevada community for 15 years and graduated from TMCC. As a child, I spent 11 years twirling and helped the Teacher as her Assistant in high school.

- ★ My goal is to provide outstanding teaching services to your children so they can twirl a baton.

- ★ This is a great way to build up your child's confidence and show them how to perform!
- ★ Good way to build deeper relationships with baton twirling friends.
- ★ Please reach out if payment plans need to be worked out. I would like my rates to be affordable for everyone.
- ★ Visit my website for more information.
